Is proud to announce a seminar on

Building Your Future: Group Owned Captive Insurance Program

Learn how best-in-class companies have taken control of their insurance costs and built them into a profit center.

Who should attend?

Business Owners, CFO's, Controllers and those involved in the insurance buying process

Tuesday, May 14th, 2019

3:00 PM - 4:30 PM (4:30 PM - 5:30 PM Q & A and social hour)

Bender Insurance Solutions • 516 Gibson Drive #240 • Roseville, CA 95678

Join us and learn how to...

- Eliminate insurance market cycles and stabilize your workers' comp, auto and liability premiums (lines of coverage are program specific)
- Reduce your claims costs through specialized claims management
- Opportunity to recoup your paid-in insurance premiums that were set aside for claims and not used during the policy year
- Earn interest income on your paid-in insurance premiums
